About OAG

OAG is a global travel and transport information company. Our three core activities include managing and distributing information within the passenger and cargo aviation sectors, providing travel information to business travelers, and offering advertising and promotion opportunities for the aviation and travel communities.

About OAG Travel Planner

Business travel is a growing challenge with hectic travel schedules and tighter deadlines. Meet the challenge with **OAG Travel Planner**, a user-friendly tool for planning itineraries faster and more efficiently.

Plan trips with ease & convenience

Key features

- Over 645,000 global flight listings from 1,000 airlines.
- Search for flights by airline, airport or city.
- Find connecting flights with the shortest transfer times.
- Link directly to airline websites.
- See cabin class availability and flight status.
- Print seating diagrams, terminal maps and destination information.
- More than 80,000 hotel listings in 14,000 cities.
- Search for hotels by name, preferred chain or amenities.
- Locate hotels on printable map.
- Save personal and corporate preferences for both flights and hotels.

How does OAG Travel Planner benefit you?

Convenient

Designed to save all profiles and preferences, key in travelers' details only once!

User-friendly

Build complex itineraries, print useful city maps, destination and visa information using simple help tools.

Speedy

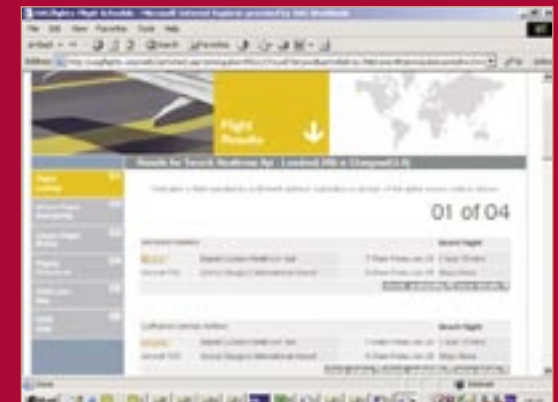

Forget about having to go back and forth with your travel agent. With all the flight schedules and travel information at your fingertips, just inform your travel agent to book the flight you want.

Timely

Updated monthly (CD) or 24/7 (online), you're always in touch with the latest information.
